EQUIPMENT & GEAR LIST

Personal Gear & Equipment List

Mountains of 6000m.

This List is for the following trips:

El Plomo, Ojos del Salado, Vn San José, Mountaineering in Atacama and Pissis Volcano Climb.

Below you find a selection of gear & equipment lists for different ChileMontaña trips and expeditions.

Please note that these lists are reference lists of available options that will provide you with comfort and safety during your Andes adventure. Due to the large variety of fabrics and models in the market and due to the diverse nature of our trips and expeditions, it is impossible to give a more specific list. Therefore, we will have a gear check at the beginning of every ChileMontaña trip in order to ensure that you carry the appropriate equipment for your particular adventure.

However, we hope that these lists will give you a good idea of what to bring when booking one of our adventures. Please feel free to contact us at any time if you need further information or have doubts regarding this topic.
